Carl D. Perkins Career and Technical Education Act of 2006 Sections 113(4)(c) requires eligible recipients to report prepare and submit data regarding the progress of such recipient in achieving the performance levels of core indicators.

Carl D. Perkins Career and Technical Education Act of 2006 Section 122(c)(13)The state agency must ensure that the data reported from local agencies are complete, accurate, and reliable.

Carl D. Perkins Career and Technical Education Act of 2006 Sections 134(b)(6) “...support Career and Technical Education programs that provide services and activities that are of sufficient size, scope and quality to bring about improvement...”

April 23, 2007 Arizona Transition Plan for the Carl D. Perkins Career and Technical Education Act of 2006 page 57 states that the secondary concentrators who are enrolled in postsecondary education, employed and/or serving in the military will be surveyed during the second quarter (October- December) following graduation in that reporting year.

EDGAR 34 CFR 80.40 requires that states monitor and report program performance.

Annual Arizona Appropriation Bill describes the intention of the Arizona legislature to fund the Career and Technical Education State Block Grant. This funding occurs through general appropriations for supplemental funding linked to numbers of pupils in such programs and to numbers of program concentrators who enter jobs in fields directly related to their high school CTE program.

Basic Grant Affirmation Affidavit Program and Fiscal Assurance Number 5: Eligible recipients will cooperate and participate with the eligible agency including compliance with timely and complete, accurate, and reliable data collections activities, monitoring, and reporting requirements.

Basic Grant Affirmation Affidavit Accountability Assurances: Failure by the LEA to make a good faith effort ... to submit accurate data reports on a timely basis or will risk an interruption or possible loss of all Career and Technical funding (State and Federal).

The Carl D. Perkins Career and Technical Education Act of 2006 (Perkins IV) emphasizes state and local accountability. It establishes comparable student definitions and measurements for all CTE programs. Perkins IV legislation is based on expectations that student performance will improve each year. This improvement is expected in five core areas of emphasis, including:

- Academic attainment
- Technical skill attainment
- Graduation rate
- Placement rate and
- Participation and completion of nontraditional programs

The State Board of Education approved a state accountability system that measures CTE program performance using a series of performance measures. The performance measures are based on the expectation that all programs have concentrators and placements on an annual basis. This expectation is derived from the 2006 Perkins IV Section 134(b)(6) that a program be “of sufficient size, scope and quality to bring about improvement”.

The Arizona CTE performance measures are published annually in the **Secondary Guidelines for Performance Measures and Program Evaluation** at <http://www.ade.az.gov/cte/DIG/>. The expected performance level for each measure is negotiated annually with the Office of Vocational and Adult Education (OVAE).

This section of the Handbook is designed to help schools and districts:

- Collect and organize placement data and
- Report placement records

All CTE placement reporting is submitted electronically. There are two methods of electronic submission including:

- Email attachment to CTEDataCollection@azed.gov (file attachment must be in ASCII text format:
<http://www.ade.az.gov/cte/GrantsMIS/filelayout/CTEPlacement.asp>)
- Online Data Collection website: <http://www.ade.az.gov/PerfMeasures/splash.asp>

The online system requires a district to Login with a unique CTE-assigned UserID and Password to the Performance Measures system. The online data collection can be used to enter course enrollment, program enrollment, student concentrator and student placement data. Online user manuals for placement survey submissions are located at: <http://www.ade.az.gov/cte/DIG/>.
